

RICK ANDERSON

ABOUT ME

I retired as President of TempurSealy at the end of 2019 with full intentions of enjoying my new found time traveling, volunteering, teaching, socializing and spending time with my family. Well, 2020 hasn't quite turned out like any of us expected. It has actually turned out better than I could have ever imagined! Rather than all those activities, I have spent the past several months with my best friend of 35 years, Kathy, our two adult daughters, their significant others and our little grandson Cameron! What a blessing 2020 has become! I feel the pandemic has given me the opportunity to reflect on what is most important and to see that perhaps God has a much larger plan for all of us.

In addition to being a corporate executive, I have also been active on Industry Boards, I enjoy exercising, golf, traveling, food and The Kentucky Wildcats. I have been awarded the American Heritage Award by the Anti-Defamation League, The Spirit of Life Award by The City of Hope (Cancer research) and was recently awarded a Lifetime Achievement Award by the Furniture Industry.

MY INVOLVEMENT AND FAITH

We became members of Christ Church Cathedral in 2008 after we moved to Lexington. We were led to Christ Church by Kathy's parents, Ann and Fred Roughton, who have been members of the Episcopal church for decades. Ann's wish was that we would become members and that our daughter Sarah would grow in faith as a member of The Christ Church Choir – and that she did!! In what I can only characterize as my family's spiritual awakening, each of us grew in our faith as a result of joining Christ Church Cathedral.. We traveled to England three times with the Choir, thoroughly enjoying every minute with our boys, girls and men's choirs.. I became a Sunday school teacher for the Confirmation Class and led mission trips to Belize, Costa Rica and St. Louis. Observing first hand the impact that Christ Church has on the lives of our youth was extremely powerful. I became a strong advocate for our youngest members as part of the "Together We Grow" Capital Campaign for the reimagining of the Helm Building.

PERSONAL STATEMENT

Christ Church has provided me and my family with an amazing spiritual gift. We have been welcomed as family into this community of love and support. My Grandson and son-in-law have been baptized at Christ Church and we all feel this is our home. Serving on the Vestry would allow me to further grow spiritually while contributing to the overall health and well being of my Church Community. If elected, I would be honored to serve and represent Christ Church and its members.

BETH ARNOLD

ABOUT ME

I am the Associate Dean of the College of Fine Arts and an Associate Professor of Voice at the University of Kentucky. I also have the good pleasure of working with many of the artists that share their gifts at CCC throughout the year. I am grateful for and admire the detailed connections and care between liturgy and music which fills the space and our hearts each week with the Holy Spirit. My husband, Ben, is a Professor of Music at UK. William is a sophomore at UK majoring in music, and Jackson is a senior at SCAPA Lafayette who also plans to major in music.

MY INVOLVEMENT AND FAITH

My family (Ben, William, and Jackson) has been a part of the Christ Church Cathedral family for the last seven years when my son, Jackson, joined the Men and Boys Choir. Music brought our family here, but the community is what keeps us here. My husband, Ben, and I have taken advantage of the many programs CCC has to offer, including Cathedral 101 and 201 and Centering Prayer. I participate, along with William and Jackson, in the musical life of the church through featured solos as well as singing in the Women's Choir and performing with my family through various ministries. In addition, I find serving communion to the community of Christ Church one of the most meaningful and humbling of worship experiences.

PERSONAL STATEMENT

In our Covid world, I enjoy seeing how beautifully CCC responds to the needs of its members through its enriching online programs and services on Sunday mornings and throughout the week. The warmth of the CCC community remains throughout our turbulent circumstances and sustains us until we return to worship together once again. If selected as a member of the Vestry, I hope to work with the leadership to continue supporting and promoting the programs that connect our church to the community, to each other, and affirm that all are made in the Imago Dei.

NELL CAMPBELL

ABOUT ME

I am the daughter of an Episcopal priest and was, naturally, raised in the church. I was born and baptised when my dad was serving at Grace Church in the Mountains in Waynesville, NC and we also lived in Attleboro, MA and near Rochester, NY on Lake Ontario as Dad's ministry evolved. I was confirmed as a teen at Trinity Episcopal Church in Greece, NY. I have a BA in Art from Randolph-

Macon Woman's College in Lynchburg, VA and a Master of Architecture from the University of Tennessee, Knoxville. My husband, Doug, and I met in college and have just celebrated our 25th anniversary this summer. After 18 years in East Tennessee, Doug and I moved our small family to Lexington in 2013 and quickly found our church home at the cathedral. Our kids, Luke (18, a freshman at Centre College) and Iona (nearly 16, a sophomore at Henry Clay) are perhaps more easily recognized than Doug or I as they jumped right into serving as acolytes. I am currently work in marketing and business development for the global design firm Stantec.

MY INVOLVEMENT AND FAITH

A foundational belief I hold is that each of us are called to use the specific and individual gifts and talents God has blessed us with to further the ministry of Jesus. I was trained and commissioned to facilitate Gifts and Talents Workshops through the Office of Shared Ministry in the Diocese of East Tennessee and have since led a few Sunday morning Adult Forum classes on recognizing and developing Spiritual Gifts. A graduate of the Education for Ministry program in 2004, I have been a mentor for one of our cathedral EfM groups, have helped with VBS for years, served on the Parent Youth Council and accompanied the 2015 Youth Pilgrimage to Costa Rica. I am currently a Godly Play teacher for the 4th & 5th graders. Our family enjoys serving together as hosts for virtual Compline, Art at the Cathedral, and have helped with the Cupboard too.

PERSONAL STATEMENT

As we are advised in the third chapter of Ecclesiastes, there is a time for everything; if elected this season I would be happy to serve on the cathedral vestry. The baptismal covenant is the center of my faith. Those are vows that I honor, but too often fall short of practicing regularly in my life. I am honored to be invited to put myself forward for consideration. But, like those commitments we reaffirm whenever there is a baptism at Christ Church Cathedral, I will, with God's help. For I cannot go alone.

DAN DORSETT

ABOUT ME

I am a UK graduate (BBA – Finance, BS – Accounting) and CPA, retired from Global Fitness Holdings where I was Director of Accounting/Controller. Previously, I worked in several positions at WLAP/WMXL radio including VP/General Manager. My family includes my wife, June; son Clay and daughter-in-law, Elizabeth, and grandchildren Webb and Ellie; daughter Elizabeth and son-in-law, Rob and grandson, Tripp; and daughter, Mary Catherine.

MY INVOLVEMENT AND FAITH

We came to Christ Church Cathedral in 1990 when our children joined the choir program and were active throughout the 90s, though members of another church at the time. We returned to CCC in 2007 and were received into membership in 2010. In worship I serve as a Verger and leader of the ministry of Lectors and Intercessors. In recent years I have served as a confirmation mentor, diocesan convention deputy, help in the office and bookstore reviewing monthly cash reconciliations, and am a member of the Brotherhood of St. Andrew. I previously served on Vestry (2014-16) and am a graduate of Education for Ministry.

PERSONAL STATEMENT

I am continually impressed by the rich, traditional liturgy and music at Christ Church Cathedral. Together with the fellowship of this congregation and renewed emphasis on serving the community, we have a great platform for extending Christ's light to our world for many years to come. I welcome any opportunity to serve with you.

BECKY HORINE

ABOUT ME

I am a widow, a mother, a stepmother, a grandmother and great grandmother. My degree from UK was in music education and I taught public schools in Winchester and Lexington for 3 years before retiring to a life of volunteerism. In 1985 I was blessed to marry the love of my life, Bob Horine +. In my fifties I returned to UK for a Masters in Social Work and worked as a Licensed Clinical Social Worker at the Rape Crisis Center for 10 years before retiring. I served as a mental health professional in the Red Cross. I was blessed to have the opportunity to serve in NYC after 9/11 and locally for the tragic plane accident #5191.

MY INVOLVEMENT AND FAITH

So, it should be no surprise that I came to Christ Church in 1991 because of the music program. My daughter went on to become a member of the Girls' Choir and I was thrilled to chaperone the girls on their trip to England in 1984. They were the first girls' choir to sing in Westminster Abbey. While a member of Christ Church I have participated in DOCC (Disciples of Christ in Community), the Music Committee, Stephen Ministries, EfM (Education for Ministry), as a Sunday school teacher, Cathedral Singers and currently as a Pastoral Care team member and as the wedding coordinator.

PERSONAL STATEMENT

Christ Church Cathedral has been my home for 49 years. And it IS my church home. The spiritual community that I have found here keeps me on a level playing field. I have so missed worshipping with my spiritual family during this pandemic. During times of grief and loss I have been nurtured, loved and lifted up in prayer by this community. I believe my greatest strength comes with listening to others. I would be honored to serve with members of the vestry as we strive to listen.

MARC MATHEWS

ABOUT ME

I am a CPA and serve as the Vice President for Finance at Transylvania University, my wife and my alma mater. Gwen and I have two children, Mary Rollins (24) and Will (22) both of whom were raised at Christ Church. I am a graduate of Leadership Kentucky and Leadership Lexington and have been honored to serve the community as a LexArts Board member, as a United Way Vol-

unteer, and as past president of the International Book Project and the Volunteer Center of the Bluegrass.

MY INVOLVEMENT AND FAITH

I married into Christ Church and reluctantly began attending church on a regular basis shortly after our daughter was born. I will have to say, the people of Christ Church won me over – bit-by-bit - until I would now say that being at Christ Church and among her people is my happy place. I started serving the church as a member of the breakfast team in the old kitchen before the Great Hall was built. I've loved serving in this ministry ever since. I've also had the opportunity to work in the Community Cupboard, the Bookstore, and to serve as a Verger, Vestry member, Senior Warden and Treasurer.

PERSONAL STATEMENT

I would be very happy to never serve on the Vestry again. Not because I didn't like it, but because I think it is an opportunity that every member be afforded. I'm going to be active in the life of this church for the rest of my life, whether I'm in an elected position or not. However, I am willing to seek election to the Vestry as I have been told that this is a time when my financial skills are needed, and if that is the case, I will happily and willingly serve if that is the pleasure of the congregation.
